Our label 'One Black Dog':

Bob the Labrador was our loyal and constant companion from the very beginning at Neagles Rock. It is only fitting that our reserve Cabernet Shiraz blend is named "One Black Dog" in her honour.

"ONE BLACK DOG" 2006 RESERVE CABERNET SHIRAZ

62% Cabernet Sauvignon (Home Block and Duncans Block)
38% Shiraz (Duncans Block)

The fourth vintage of our One Black Dog reserve wine comes from the 2006 Vintage. A wet winter, good spring rains and excellent fruit set produced exceptional colour and flavour with the best parcels selected for this wine.

Cabernet and Shiraz are both strong varieties in the Clare Valley with exceptional regional characters. When they are blended together we believe they show their true power, balanced with elegance that make a classic Australian red wine blend.

Cabernet from our Home and Duncans Block was aged in new French barriques and 39 year old Shiraz from Duncans was placed in new American Oak. After 18 months maturation in oak the final blend was selected and returned to oak for another six months.

The Cabernet shows powerful blackcurrant and plum fruit characters with mocha and chocolate overtones, the Shiraz adds rich ripe blackberry, licorice and pepper spice. The fruit and oak tannins are well integrated with a flavoursome, long finish.

One Black Dog is perfect with roast lamb or beef and strong matured cheddar cheese. Decant prior to serving.
